

THANK YOU FOR SUPPORTING #FAIRKITCHENS

In this toolkit you'll find a poster outlining the [#FairKitchens](#) Code, and a sticker to put on the inside of your restaurant's window.

Present the poster in your kitchen and inspire your team with the values we share.

To support the movement, feel free to share on social media how you and your team applied the Code by using [#FairKitchens](#)

For training and support on how to apply the Code visit [UFS.com](https://www.ufs.com)
